AOM Overview

- AOM will replace the legacy POMS program as it is activated in your district.
- AOM is an entirely new program!
- AOM is not an upgraded or improved POMS.
- AOM has no link to POMS.
AOM Overview (con’t)

• AOM is owned and was developed entirely by the Coast Guard
• AOM is behind their firewall on their servers so security is improved.
• AOM is a standardized system following all CG and Auxiliary policy requirements.
• AOM will be fully integrated with AUXDATA and the FINCEN.
AOM Overview (con’t)

• AOM will allow for both electronic signatures and submittal of receipts resulting in total electronic submittal (no more stamps and envelopes required!).
• Will be phased-in on a district-by-district basis. D14 on 14 Nov, D5 (N&S) next up.
• AOM is to be fully deployed by 1 April 2013.
• You will receive further information about the AOM system before it is activated in your district.

WARNING!

Unauthorized access is prohibited by Title 18 USC Section 1030.

You are accessing a U.S. Government (USG) Information System (IS) that is provided for the USG-authorized use only. By using this IS (which includes any device attached to this IS), you consent to the following conditions:

* The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.

* At any time, the USG may inspect and seize data stored on this IS.

* Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception and search, and may be disclosed or used for any USG-authorized purpose.

* This IS includes security measures (e.g., authentication and access controls) to protect USG interests—not for your personal benefit or privacy.

Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product related to personal representation of services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential.
